The White House
President Barack Obama
1600 Pennsylvania Avenue NW
Washington, DC 20500
FAX: (202) 456-2461

Dear President Obama,

I am writing to you to request that you intervene in the Federal Prosecution and sentencing of Charles C. Lynch in Los Angeles. Charles C. Lynch operated a City Sanctioned Medical Marijuana Dispensary that complied with state and local laws in Morro Bay California. Lynch had a business license that clearly stated "Medical Marijuana Dispensary" as the type of business. He also had "Conditions of Business License" issued by the City of Morro Bay which he followed diligently and was a member of the local Chamber of Commerce. Lynch also went through the conditional use permit process and received a permit which allowed to him to have a Medical Cannabis Nursery.

During Lynch's trial in August 2008 he was not allowed to talk about Medical Marijuana and was not allowed to use the California State Laws or the Constitution as an affirmative defense during his trial. Lynch was unjustly convicted in Federal Court and is facing Mandatory Minimum sentences ranging from 5 to 100 years. The Judge has asked for clarification from your administration on the 'New Policy' mentioned by Eric Holder, but instead got a letter from the Department of Justice employee Marshal Jarrett that says that Lynch was properly prosecuted and convicted according to the 'New Policy' but does not describe the 'New Policy'.

Before opening his Dispensary Lynch called the DEA and inquired about Medical Marijuana dispensaries and they told him 'it was up to the cities and counties' to decide how to handle the matter. The DEA and Federal Government have singled Lynch out for prosecution for some unknown reason as hundreds of Dispensaries continue to operate around the State and Country. The DEA and US Attorney's Office are now saying Lynch was breaking State Laws but has not elaborated or proved any such charges and Lynch was not allowed to discuss State Laws during his trial.

President Obama, the California Medical Marijuana Laws are based on the 10th Amendment to the Constitution. You have taken an oath to uphold the Constitution. I plead with you to have your Department of Justice officials dismiss the case and conviction of Charles C. Lynch. Even the Judge in the case was quoted at the latest Sentencing Hearing saying that if he could find a way around the Mandatory Minimums he would. Also the City of Morro Bay Mayor and City Attorney spoke at his most recent sentencing hearing and spoke highly of Lynch and his compliance with State and Local laws. The Mayor and City Attorney were not allowed to discuss details of Lynch's compliance with Local Laws during his trial.

I am attaching a copy of Mr. Lynch's Business License, Conditions of Business License, First Page of Medical Cannabis Nursery Permit and copies of his phone bill showing he called the DEA before opening his dispensary.

The investigation, trial, conviction and sentencing of Charles C. Lynch are a miscarriage of justice. Please use your Executive powers to end the persecution of Charles C. Lynch. Visit www.friendsofcl.com for more information.

Thank you,

A handwritten signature in black ink that reads "Charles C. Lynch". The signature is written in a cursive style with a large, stylized initial "C".

SUBJECT: Case Number UP0-123

SITE: 780 Monterey Avenue

Dear Mr. Lynch:

At its regular meeting on July 17, 2006 the Planning Commission approved your request for a Conditional Use Permit to occupy an existing 60 square-foot of floor area for the purposes of adding cannabis plants (clones) with conditions. This Conditional Use Permit is subject to conditions, which are specified in the attached conditions of approval. The Planning Commission added a condition that annual report be filed with this business.

This action does not constitute a building permit. If you wish to further modify the interior of the building that would require a building permit you are subject to the applicable rules and regulations of the Morro Bay Municipal Code, and must initiate any further processing of this project including building and sign modification permits.

The Morro Bay Municipal Code provides for an appeal of the action by the Planning Commission within ten (10) days of adoption and anyone wishing to appeal may do so in writing by delivering such letter to the office of the City Clerk. There is a fee for processing appeals, which are not coastal permits.

Sincerely,

Mike Prater, Senior Planner

EXHIBIT A: FINDINGS FOR APPROVAL

UP0-123: The applicant requests a Conditional Use Permit to Add Medical Cannabis Plant Nursery to an existing medical marijuana dispensary business in the C-1 zone district.

California Environmental Quality Act (CEQA)

- A. The project is Categorical Exempt from the requirements of the California Environmental Quality Act (CEQA) under Class 1 exemption for "minor alterations to existing facilities", (State CEQA Guidelines Section 15301). There are no known sensitive environmental resources on the project site that would suggest that the exemption should not be applied.

Conditional Use Permit Findings:

- B. That the dispensary permit is consistent with the intent of Proposition 215 and related State Law, the provisions of the Zoning Code.
- C. That the dispensary location is not identified as having significant crime issues. That there have not been significant numbers of calls for police service, crimes or arrests in the area.
- D. That an applicant or employee is not under eighteen (18) years of age.
- E. That an appropriate limit on size of the dispensary has been established and the requested permit would not exceed limitations on number of patients.
- F. That issuance of a dispensary permit for the size requested is justified to meet the needs of residents.
- G. That the site plan, floor plan, and security plan have incorporated features necessary to assist in reducing potential crime-related problems. These features may include, but are not limited to, security on-site; procedures for allowing entry; openness to surveillance and control of the premises; the perimeter, and surrounding properties; reduction of opportunities for congregating and obstructing public ways and neighboring property; illumination of exterior areas; and limiting furnishings and features that encourage loitering and nuisance behavior.
- H. That no dispensary use, owner, permittee, agent, or employee has violated any provision of municipal code including grounds for suspension, modification or revocation of a permit.
- I. That all reasonable measures have been incorporated into the plan and/or consistently taken to successfully control the establishment's patrons' conduct resulting in disturbances, vandalism, crowd control inside or outside the premises, traffic control problems, ingesting cannabis in public, harassment of passerby, excessive littering, excessive loitering, illegal parking, excessive loud noises, especially late at night or early in the morning hours, lewd conduct, or police detentions or arrests.
- J. There has been no substantial evidence submitted into the record that would suggest that the project would, under the circumstances of the particular case, be detrimental to the health, safety, morals, comfort and general welfare of the persons residing or working in the neighborhood of the project.
