

Lynching Charlie Lynch (2012)

The State gave him permission. He joined the Chamber of Commerce. He even called the DEA. The outrageous contradictions swirling around the medical marijuana issue are explored in this new documentary film that features the story of small business owner Charlie Lynch, who tried to do the right thing but ended up losing everything.

Controversial and provocative, ***Lynching Charlie Lynch*** explores the contradictions of the medical marijuana business in America and the human cost of those contradictions, exemplified by Charlie Lynch. Through in depth interviews with experts and advocates across the country and on all sides of the issue, ***Lynching Charlie Lynch*** finds many answers, and raises even more questions.

Directed by Rick Ray, ***Lynching Charlie Lynch*** is available On Demand and online April 20th, 2012, from Brainstorm Media. DVD copies of the film are now available for pre-order through Amazon. The DVD features several extras including:

- *Raiding California* - Reason TV documentary short on the Charlie Lynch case.
- Theatrical Trailer
- Irv Rosenfeld - Interview with a federal medical marijuana patient.
